KOLKHOZ

The Russian Club has been as energetic as ever in disseminating information about Russian culture and history.

As usual, Organization Day was a big success. The Russian hors-d'oeuvre "pirozhki" and pastry "khvorost" attracted a large crowd. The demonstration dinner at the Language House provided an opportunity for all the members to get acquainted.

The Club sponsored Eisenstein's movie "Alexander Nevsky" in cooperation with the History Department. In December, the Club will provide a festive atmosphere following the movie Gogol's "Revizor," sponsored by the Department of Languages.

THE FRENCH CLUB

The French Club has met regularly since the beginning of the semester. Each Tuesday from 6 p.m. to 7 p.m., the members meet at the Wilson House for "La Table Française." The group consists of professors and many students with varying proficiency in French.

At the first regular meeting, the club elected officers: Anne dePujo, president; Jesse Scott, vice-president; and Joey Mancino, secretary-treasurer.

Special projects of the group include working on the renovation of the Wilson House and experimenting with French cuisine prepared by members.

Currently, the club, whose adviser is Mr. Jacques Macy, boasts between 13 and 18 active members. There is a standing invitation for all who have any French background to join the club.
